LOCAL GOVERNING BODY VERIFICATION

Section § 3.2-6555 of the Code of Virginia states that the governing body of each county or city shall, or each town may, employ an officer to be known as the animal control officer. The governing body may also employ one or more deputy animal control officers to assist the animal control officer in the performance of his duties.

Section §3.2-6556 of the Code of Virginia states that any animal control officer hired between July 1, 1998 and July 1, 2017 must have completed a basic training course within two years of their date of employment, and any animal control officer hired after July 1, 2017 must have completed a basic training course within one year of their date of employment or within two years if the officer is attending a law enforcement academy; After the basic training course has been completed, officers must complete a minimum of 15 hours of approved additional training in animal control and protection every three years; **Training must be approved by the State Veterinarian's Office;** Basic training exemptions may be granted by the State Veterinarian based on previous training; **Failure to complete all required training shall result in removal from office.**

The information provided in this report must accurately depict the employment and training status of the animal control officer and any deputy animal control officers employed by this locality.

The State Veterinarian may audit documentation verifying employment and completion of required training for the animal control officers employed by this locality.
